Notification dated 11th July 1950.

Subject.—Due date for receiving applications for the ensuing Accountants' Examination.

No. 1713—E. After the results of the Accounts (Higher) Examination conducted by the Mysore Local Service and Pleaders' Examination Board were recently announced, several officials of the Audit and Accounts Department have represented that they may be permitted to take the ensuing Accountants' Examination in relaxation of the minimum service condition prescribed in the rules for admission to the above examination. As this may probably be the last examination to be held under the existing rules, it is proposed to approach the Comptroller and Auditor-General of India for relaxation of the present rule regarding the Service condition and permit the First and Second Grade Clerks of the Audit and Accounts Department who have passed the Accounts Higher Examination to appear for the ensuing Accountants' Examination irrespective of the length of service put in by them, as a special case. Such of those as are desirous of appearing for the said examination and as have not already done so may apply therefor on or before the 20th July 1950, in the prescribed printed forms. In the case of the Subordinate Audit Offices, the applications should reach this office before the 25th July 1950. Applications received in the Central Office after the said date will not be considered. Applications which are not in the prescribed printed forms will not also be considered.

2. It must be clearly understood that the applicants who do not satisfy the service conditions prescribed in the rules of the examination will be permitted to take the examination *only if the Comptroller and Auditor-General* (who is being separately addressed in this behalf), accords special permission therefor and not otherwise. The receipt of applications from those who do not satisfy the service condition will be therefore provisional and will not by itself entitle them to take the Examination.
